6.1/2017-457

Subject: Meeting regarding Rail Baltica Global Project CBA

Dear Mr. Humal,

Referring to our ongoing correspondence, we kindly reiterate our proposal to hold a technical meeting with MTU ARB representatives at the Rail Baltica Joint Venture headquarters in Riga to provide feedback to the claims made by your organization with regard to the Rail Baltica Global Project Cost Benefit Analysis. Our proposed date for the closed meeting is September 18 (with September 13, as a secondary, but less preferred option). The meeting would bring together representatives from your organization, Estonian Ministry of Economic Affairs and Communications, Rail Baltica Estonia, Ernst & Young Baltic and RB Rail, and would be moderated by Mr. Rytis Ambrazevičius, President of the Baltic Institute of Corporate Governance.

We truly hope you shall find this arrangement convenient. Kindly respond to us by 17:00 on Thursday, September 7.

Sincerely,

Baiba Rubesa,

CEO and Chairperson of the Board, RB Rail

Baiba A. Rubesa
CEO
Chairperson, Management Board
